# Debt Recovery

April 2009

## Debt recovery

The Debt Recovery unit at Collas Day offers a comprehensive, swift and cost-effective service for a cross-section of commercial clients.

## Specialisation

An experienced team focuses exclusively on debt recovery. We offer a single point of contact for advice and assistance on all aspects of recovery and enforcement.

We can offer advice and representation in the context of recovery proceedings in Guernsey and in the UK. Wherever recovery will require enforcement proceedings in another jurisdiction, we can organise representation accordingly.

We have particular expertise in

- Pre-action collection
- Petty debt and Royal Court proceedings
- Insolvency proceedings
- Defended actions

We work closely with various teams within the practice, including the property team where eviction proceedings may be required, and the insolvency/restructuring team wherever insolvency procedures are to play a part in any recovery.

## A responsive and personal service

However or whenever you choose to instruct us, we will take the first steps in recovering your debt the same day. We are proactive, updating clients at every stage of the process and providing advice on the best options available for maximising recovery but always taking into account the associated costs.

## Cost-effective - sharing the burden

We offer discounted rates for our debt recovery service. Please contact us for a package tailored to your specific business requirements.
